### **Fourth Sunday of Advent**

**December 24, 2017**

**"For ever I will sing the goodness of the Lord."**

Today we hear the familiar story of the angel Gabriel announcing to Mary that she will conceive and bear the Son of God. What an unbelievable message this must have been! She was seemingly just an ordinary young woman, not even married, not even having relations with a man. As a Jew, she would have been praying for the coming of the Messiah; now she is told she would be giving birth to him. But like David in the Old Testament, she accepts the role God has for her. "May it be done to me according to your word" (Luke 1:38).

### ***God has a plan***

“The Lord is with you.” One can only imagine how Mary felt receiving this knowledge. Despite her lowliness, she was chosen to give birth to the Son of God. She was perplexed and moved by what she heard, yet Mary accepted the tremendous responsibility and proclaimed a joyful “yes.” Mary’s faithful response to God’s call carried her through life when, years later, she watched her son be put to death. Even then she drew on God for strength.

Just as Mary felt perplexed by the angel’s greeting, we too can feel overwhelmed by the intense love God has for us. Tomorrow, we gather at the crèche and celebrate that the Word of God took on human form to be present with us. And then, after dying for our sins on the cross, Jesus remains with us through the Eucharist. The Lord is always with us.

It is astonishing to think that, regardless of our failings, we are not alone. As Advent comes to a close, may we allow ourselves to find peace in the knowledge that God has a plan for each one of us and that the love of God will not lead us astray. God is with us every hour of the day, and we need only ask for the strength and hope that will allow us to overcome our challenges.

The Redeemer has come into the world to do this wonderful work. He became one of us. More than this, he became one with us. For this is the marvelous thing about the human race, that we are all one. He came to be one mysterious body with us: he our head, we his members.
